MEMORANDUM FOR: Chief, OPS/PSI

FROM: [redacted]
Chief, Clearance Division

SUBJECT: Items for DDA Quarterly Review

After several weeks and many hours of work by representatives of the Clearance Division, Special Activities Group, Information Review Group, the Office of General Counsel and the Department of Justice, we have a lull in the [redacted] law suit. Responses have been completed and sent to [redacted] attorneys in interrogatories, request for production of documents and answer to complaint. Identified, in case they are needed, [redacted] cases in which approvals were granted, within the past two years, for persons who had engaged in some homosexual activity.

There [redacted] pending appeals cases, nine of which are awaiting OGC coordination on responses.

Staff clearance cases continue at a very high level. We have had a modest backlog in processing these cases in the Clearance Division, but with additional help now available we expect to be current in the Clearance Division within a week.

On 25 June we provided to the Office of Personnel, Division IV (clerical), a list of 60 applicants whose field investigations have been completed, but whose polygraph appointments are scheduled for later. They will attempt to revise polygraph schedules so that field completions and polygraphs will be better coordinated.

Chief, Clearance Division
